

1921

The 1921 resident license continued the tradition of a new pictorial design every year. Both hunting and fishing was represented with ducks on the left and a pair of anglers in a canoe on the right. For the first time, the angling vignette was allowed to run into the border of the license. The printer's legend reappeared, recognizing the Omaha Printing Company. The 1921 trapping license used the same vignettes and framing, making a nice companion piece.

Licenses issued for 1921	
Resident Fish/Hunt-\$1.00	NR Fish/Hunt-\$10.00
Resident Trap-\$2.00	NR Fish-\$2.00
Alien Fish/Hunt-\$15.00	NR Trap-\$25.00
Alien Fish-\$5.00	Alien Trap-\$25.00

As in the prior year, the trapping license employed the same design as the Fish & Hunt license. It seems likely that all pictorial licenses for 1921 did the same.
